REDSTONE
GOLF MANAGEMENT

DEAR FRIEND,

Redstone's golf properties are renowned for adding distinction to any business or corporate golf event. We offer impeccable facilities and personal service, designed to make your event flawless and memorable.

In addition to the unique features at each property, our Pro Shops are nationally recognized for retail excellence. The Pro Shop at BlackHorse Golf Club was named "Merchandiser of the Year" public category in both 2001 and 2002 by the STPGA, and The Houstonian Golf & Country Club's Pro Shop took home the same honors both years for the resort category. This recognition is a result of the professional expertise of the on-site merchandise manager and their ability to address your specific needs at a great value.

We have selected a variety of popular merchandise from our preferred vendors that can be personalized with your logo to assist you in making your event unique. All of these items make excellent gifts and tee prizes for your guests to enjoy long after the event has passed. This catalog offers just a sampling of products available.

Let us help you craft a package or select individual pieces from the collection. We look forward to working with you.

Sincerely,

VICKI BERNSTEIN

Redstone Golf Management
